<h3>
Status for week ending 4/10/2001</h3>
1. Submitted a QAR for installing the latest release of Shopping List on
production servers.
<p>2. Coding is mostly done for the Store Locator feature in Search. A
flat-file text database is used for the local stores information. Set up
demo pages for the initial set of merchants to be included at launch.
Need to setup the images for tracking impressions of the Local Store grid
and for generating corresponding logging reports on the production IRS
servers.
<p>The DCI team has not yet implemented the proximity search interface
and are also yet to send us the DCI Franchise Ids for the initial list
of Local Store merchants.
<h4>
Next Week:</h4>
1. Continue testing of VL5 plugin.

2. Work on implementation of Local Stores. Drop to QA.

3. Support CTA Banner service and Shopping List.</html>
